

INDUSTRIAL FLAT FRONT PANT

STYLE NUMBERS:

Pant:

LP812

No matter what type of job your customers perform, our Dickies Industrial Flat Front Pant is the perfect addition to their wardrobe. Designed for hard work with an exceptional fit, these work pants are built to withstand the test of time. We chose industrial strength fabrics and added enhanced durability features to keep our pants looking crisp and new, keeping your customers looking sharp, and making you look pretty sharp, too — all from a brand workers want to wear.

INDUSTRIAL FLAT FRONT PANT TARGET INDUSTRIES:
